**Subject:** Application for Creative Visualizer / Motion Graphics Artist Position

Hi Hiring Manager,

I am writing to express my interest in the Creative Visualizer / Motion Graphics Artist position at your organization. With over 15 years of experience in the VFX and creative media industry, I bring a strong combination of artistic vision, technical expertise, and leadership in visual storytelling.

Throughout my career, I have worked with leading studios including Phantom FX, Technicolor, DNEG, and Prime Focus, contributing to high-end film, television, and digital media projects. I specialize in motion graphics, video editing, VFX compositing, and content creation, delivering visually compelling work across platforms like YouTube, Instagram, and LinkedIn.

Currently, as a Studio Supervisor and Creative Lead (Freelancer), I manage end-to-end creative projects—from concept to delivery—focusing on digital campaigns, film visuals, and social media content. I also integrate AI-powered tools such as Runway, Firefly, and MidJourney to enhance creative workflows and efficiency.

My technical proficiency spans a wide range of tools including After Effects, Photoshop, Illustrator, Premiere Pro, DaVinci Resolve, Nuke, and Mocha, along with exposure to Blender, Cinema 4D, and Unreal Engine. Beyond technical skill, I pride myself on creative direction, storytelling, and collaboration to bring every idea to life with impact and precision.

I would appreciate the opportunity to bring my creativity, experience, and passion for visual storytelling to your team. I'm confident my background aligns well with your creative goals, and I would love to contribute to your upcoming projects.

Thank you for considering my application. I look forward to the possibility of discussing how I can add value to your creative team.

Warm regards,

**Milan Chaudhari**
