

Graphic designer

Litesh Madhavi

PORTFOLIO

Professional summary

I am an experienced Motion Graphics Designer with over 6+ years of experience. I have worked in a wide variety of projects, ranging from corporate videos to motion pictures. I specialize in creating stunning visuals driven by creative ideas and exceptional storytelling. My best qualities include an eye for detail, great communication skills, and a passion for creating beautiful visuals. I have excellent software skills, including Adobe After Effects, Photoshop and Illustrator. I am confident that my experience and skills will help me make a difference in any production.
