Developed new web and mobile applications that have been deployed across multiple platforms Responsible for the design and maintenance of the company's website, including marketing site, promotional site, blog, sales site and customer service siteCollaborated with designers to translate wireframes and mockups into pixel-perfect, interactive web interfaces, ensuring an optimal user experience. Implemented SEO best practices, resulting in a 40% increase in organic website traffic and higher search engine rankings. Managed a team of 4 front-end developers and designers Designed dynamic and browser compatible pages using HTML, CSS.

Work Experience

Senior Web Developer

Shirkes Media
05/2024 - Present

I have a great deal of expertise creating responsive websites with WordPress, HTML, CSS, Bootstrap, and a variety of other tools for a wide range of clients in different industries. Creating and managing websites for sales, marketing, customer service, and blogs was part of my job, along with making sure that all platforms provided a consistent user experience. Furthermore, in order to satisfy the objectives of my clients, I have successfully developed and deployed new web and mobile applications across a variety of platforms.
